

Privacy and Data Protection Policy

Future Executive Search & Future Corporate Solutions are committed to ensuring the personal data collected at our websites protect the privacy of your personal data. The following statement covers our policy when collecting, using and transferring your personal data and the security measures we use to protect it.

We will collect the personal details that you provide to us on our website for the purposes of providing you with services relating to the executive search and recruitment industry. In providing such services to you we will only use your data in accordance with the terms of the following statement.

Collection and Use:

Future Executive Search & Future Corporate Solutions is the sole owner of the information collected on this site. We will not sell, share, or rent this information to others. Future Executive Search & Future Corporate Solutions collects information from our users at several different points on our website.

We request information from you on our online registration forms. This information is used to enable us to provide you with recruitment and associated services. If we have trouble processing your application, this contact information is used to get in touch with you. Future Executive Search & Future Corporate Solutions does not use this information for any other purpose.

We use IP addresses to analyse trends, administer the site, track user movement, and gather broad demographic information for aggregate use. IP addresses are not linked to personally identifiable information.

We may share aggregated demographic information with our clients. This is not linked to any personal information that can identify any individual person.

Links:

This web site contains links to other sites. Please be aware that Future Executive Search & Future Corporate Solutions is not responsible for the privacy practices of such other sites. We encourage our users to be aware when they leave our site and to read the privacy statements of each and every web site that collects personally identifiable information. This privacy statement applies solely to information collected by this Website.

Security:

This website takes every precaution to protect our users' information. When users submit sensitive information via the website, your information is protected both online and off-line.

When our registration form asks users to enter sensitive information, that information is encrypted and is protected with SSL. While on a secure page, the lock icon on the bottom of Web browsers such as Netscape Navigator and Microsoft Internet Explorer becomes locked, as opposed to un-locked, or open, when you are just surfing. While we use encryption to protect sensitive information online, we also do everything in our power to protect user-information off-line. All of our users' information, not just the sensitive information mentioned above, is restricted in our offices. Only employees who need the information to perform a specific job (for example, our accounts clerk or a marketing director) are granted access to personally identifiable information.

If you have any questions about the security at our website, you can send an email to scottd@futureuk.biz

Correction/Updating Personal Information:

If your personally identifiable information changes (such as office address), we will endeavour to provide a way to correct, update or remove the personal data provided to us. This can usually be done by emailing info@futureexecsearch.com

Notification of Changes:

If we decide to change our privacy policy, we will post those changes on our Homepage so our users are always aware of what information we collect, how we use it, and under circumstances, if any, we disclose it. If at any point we decide to use personally identifiable information in a manner different from that stated at the time it was collected, we will notify users by way of an email. Users will have a choice as to whether or not we use their information in this different manner. We will use information in accordance with the privacy policy under which the information was collected.

Future Executive Search and Future Corporate Solutions reserves the right to revise your submitted data only to comply with our normal formatting and categorisation practices, including but not limited to slight alterations of company listings. Should you have any queries, questions or issues relating to the revised data please contact The Future Group.
